

### Wellbeing Programme

Creates conditions and safe spaces to reduce health inequalities, led by community needs and aspirations and reflecting the diversity of Govanhill.

### The Deep End

Accommodating inspiring spaces and places for artists to work - accessible and welcoming venue promoting interaction between the creative industries and audiences.

### Up Hub

A green manufacturing resource dealing with domestic textile, plastic and wood waste by upcycling it on an industrial and commercial level.

### Rags To Riches

Provides workspaces and educational programmes, inspiring and reskilling our community, upcycling local domestic, non-food waste.

### Govanhill Baths Ceramics

Offers ceramics courses, kiln hire, studio membership and workshops in a fully-equipped ceramics studio.

### The People's Pantry

Provides members with fresh, nutritional, good quality food at a significantly subsidised rate. Offers a community-led, dignified solution to food security issues in the community.

### Govanhill Youth Club

Making a difference in young people's lives by exploring topics relevant for them and that they want to educate themselves more on.

### Community Regeneration

Our partnership approach to community capacity building and regeneration to support and develop small grassroots organisations to be self-sufficient while contributing to community regeneration.

### Govanhill Baths Heritage And Archive

Catalogues and provides access to a unique collection of materials reflecting the GBCT's activities.

### Learning And Outreach

Provides learning opportunities for local people on Govanhill Baths' heritage, highlighting the community's cultural impact on the building.

### Govanhill Baths Arts (GBArt)

Promotes regeneration through the arts, contributing to wellbeing and social cohesion of the local community. Supports artists and raises GBCT's profile by establishing it as an ambitious arts commissioner, partner and venue.
