

Participation Agreement

While we are working under the different phases of the Scottish Government Covid19 Route Map we ask all our returning volunteers and session participants to agree to the following;

1. If I use public transport to travel to Govanhill Baths activities I will wear a face covering and follow social distancing procedures.
2. If I have my own vehicle, and offer lifts to those outside my household I will wear a face covering and follow guidance on hand sanitizing, ventilation and cleaning of surfaces.
3. I will not attend if I am displaying any symptoms of illness. If I become ill during a session I will let the Govanhill Baths staff member know and then return home and seek medical advice, if necessary arranging a covid test.
4. I will maintain social distancing measures as set by the Scottish Government and instructed by Govanhill Baths staff and respect group size numbers put in place by Govanhill Baths.
5. I will use hand sanitizer or wash my hands with soap regularly.
6. Once I have cleaned my hands at the start of a session I will avoid touching my face.
7. If I cough or sneeze I will do it into my sleeve or a tissue that fully and tightly covers my mouth. I will dispose of the tissue immediately and wash or sanitise my hands.
8. I will do a rapid flow Covid test before attending Govanhill Baths activities.
- 9. If you develop Covid Symptoms up to 14 days after the workshop please email joanna@govanhillbaths ASAP so we can let the rest of the group know.**
